## Introduction

ACC has advised Medtech that the amount they provided was incorrect (one cent out)

An updated ACC Physiotherapy Fee Update is now available on our website for download. This update is applicable to all sites that provide and invoice ACC Physiotherapy services to patients.

This update will change the ACC Physiotherapy Subsidies. It will also update all invoices and claims generated since 16th November 2009 that have the incorrect subsidies attached and ensure that the Account Holder balance is correct depending on the number of claims (invoices) generated.

### **IMPORTANT NOTE**

**If you have already run the ACC Physiotherapy Fee Update released on 16 November please ensure that you re-run this update as it resolves the incorrect Subsidy amount.**

## Pre Requisites

Please review the following prerequisites and ensure they are met prior to installation;

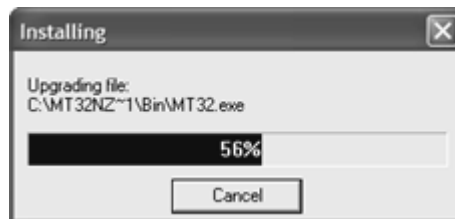

- ▶ Ensure the person(s) who will be performing the upgrade have read through this fax notification and the release notes.

**IMPORTANT:** This document contains valuable information that, if not read, could seriously affect the upgrade progress and/or possible down time of your network.

- ▶ Ensure you are ALWAYS logged onto Windows with administrative rights when performing ANY installation, update, or maintenance tasks.
- ▶ This update MUST be run on the Medtech32 Server.
- ▶ User can run this whilst logged into Medtech but must log off and log on again for changes to be applied.

## Medtech32 Update Installation

1. Visit our website at [www.Medtechglobal.com](http://www.Medtechglobal.com).
2. Select New Zealand in region drop down (Top right hand side of the window)
3. Select menu, **Medtech online ▶ Medtech32 ▶ downloads**. The New Zealand Medtech32 Updates page will be displayed.
4. Here you will find the **ACC Physiotherapist fee update (20 November 09)** and the **Release Notes**.
5. In the File **Download Security Warning** dialogue box select **Run**.
6. In the Open **File Security Warning** dialogue box select the **Run** option.
7. The update will then begin to install.

8. Once installation has completed the following message will appear.

9. The Medtech32 Version and Build Number will not be changed after running this update.

# Items addressed in this Update

## Setup

### Subsidy

Setup ▶ Accounting ▶ Subsidy

### ACC Subsidies

A new service and subsidy PT05 has been added in this update.

PT05 – Reactivation Consultation

The following subsidies have been changed in this update. This will also update all invoices and claims generated since 16<sup>th</sup> November 2009.

	Old Subsidy	New Subsidy
PT01	\$44.70	\$44.71
PT02	\$31.93	\$31.94
PT05	\$44.70	\$44.71

This update will also ensure that the Account Holder balance is correct depending on the number of claims (invoices) generated

Should you have any questions with regard to the information contained in these Release Notes please don't hesitate to contact the Medtech Helpdesk on **09 358 0116 (Option 1)**.
