

RELEASE NOTES

Medtech32

ACC Trigger Treatment Profile

(May 2011)

IMPORTANT NOTE

Medtech recommends that all Medtech upgrades and database back-up and restore processes are performed by a **Medtech Certified Technician** or your Practice Technician. For a list of Medtech Certified technicians please visit the Medtech Global Website: www.medtechglobal.com

These Release Notes contain important information for all Medtech Users. Please ensure that they are circulated amongst all your staff. We suggest that these notes are filed safely for future reference.

Summary of Changes

1) ACC Trigger Treatment Profiles

A full update of the ACC Trigger Treatment Profiles has been included in this update for Physiotherapist, Chiropractor, Osteopaths and Acupuncture.

Installation Prerequisites

Please review the following prerequisites and ensure they are met prior to installation;

IMPORTANT: This documentation contains valuable information that, if not read, could seriously affect the upgrade progress and/or possible down time of your network.

1. Your practice **MUST** be on **Medtech32 Version 10.0 or above**. If you **ARE NOT** on Medtech32 Version 10.0 or above, please **DO NOT** continue.
2. This update can be run whilst users are logged into the Medtech32 application, however all users should log out and back into Medtech to enable the changes to take effect.
3. Ensure the person(s) who will be performing the upgrade have read through all of the release documentation and installation instructions.

ACC Trigger Treatment Profile Update

Installation Instructions

1. Ensure that you are running **Version 10.0** or above of Medtech32. This can be checked by logging into Medtech32 and selecting **Help ► About Medtech32** (see pre requisites above).
2. Visit our website at www.medtechglobal.com.
3. Select “New Zealand” in the region drop down (top right hand side of the window).
4. Select menu, **Medtech Online ► Medtech32 ► Downloads**. The New Zealand Medtech32 Updates page will be displayed.
5. Here you will find the **ACC Trigger Treatment Profile – May 2011 Update**.
6. In the **File Download Security Warning** dialogue box, select **Run**.
7. In the **Open File Security Warning Dialogue** box, select **Run** option.
8. The installation screen will appear.

9. The installation process will begin.
10. Once the update is completed, the following message will be displayed.
