

Medtech32 Consultation Dates on Konnect SureMed Form Release Notes (February 2011)

IMPORTANT NOTE

This release does not require a Technician, however, if you choose to use a Technician, Medtech recommends that all Medtech upgrades and database back-up and restore processes are performed by a Medtech Certified Technician or your Practice Technician. For a list of Medtech Certified technicians please visit the Medtech Global Website: www.medtechglobal.com.

These Release Notes contain important information for all Medtech Users. Please ensure that they are circulated amongst all your staff. We suggest that these notes are filed safely for future reference.

Installation Prerequisites

Please review the following prerequisites and ensure they are met prior to installation;

IMPORTANT: This documentation contains valuable information that, if not read, could seriously affect the upgrade progress and/or possible down time of your network.

1. This update can be run on Version 19.0 of Medtech32 or greater.
2. Ensure the person(s) who will be performing the upgrade have read through all of the release documentation and installation instructions.
3. Ensure you are logged onto Windows with Administrative rights when performing ANY installation, update, or maintenance tasks.
4. This update **MUST** be run on the Server computer and can be run **whilst users are logged** into Medtech. After running this update, please ensure all users log out and log back in before completing any SureMed requests.

Konnect SureMed Update Installation

1. This update can be run on Version 19.0 of Medtech32 or greater..
2. Visit our website at www.medtechglobal.com.
3. Select "New Zealand" in the region drop down (top right hand side of the window).
4. Select menu, **Medtech Online ▶ Medtech32 ▶ Downloads**. The New Zealand Medtech32 Updates page will be displayed.
5. Here you will find the **Consultation Dates for Konnect SureMed Update**.
6. In the **File Download Security Warning** dialogue box, select **Run**.
7. In the **Open File Security Warning Dialogue** box, select **Run** option.
8. The installation screen will appear.

9. The installation process will begin.
10. Once the update is completed, the installation screen will close.

Update Details

Consultation Dates on Konnect SureMed Forms

A number of practices have identified that the Consultation Dates in the Konnect SureMed PMAR form are not appearing.

This update will resolve this issue.
