

Medtech32 Subsidy Adjustment for GST Increase 1st October 2010

Release Notes

IMPORTANT NOTE

Medtech recommends that all Medtech upgrades and database back-up and restore processes are performed by a Medtech Certified Technician or your Practice Technician. For a list of Medtech Certified technicians please visit the Medtech Global Website: www.medtechglobal.com.

These Release Notes contain important information for all Medtech Users. Please ensure that they are circulated amongst all your staff. We suggest that these notes are filed safely for future reference.

Installation Prerequisites

Please review the following prerequisites and ensure they are met prior to installation;

IMPORTANT: This documentation contains valuable information that, if not read, could seriously affect the upgrade progress and/or possible down time of your network.

Please note the reference to Medtech Version 10 below has not been written in error.

1. This update **CAN BE RUN** on any Medtech Version from Version 10. If you **ARE NOT** on Medtech32 Version 10 or above, please **DO NOT** continue.
2. Ensure the person(s) who will be performing the upgrade have read through all of the release documentation and installation instructions.
3. Ensure you are logged onto Windows with Administrative rights when performing **ANY** installation, update, or maintenance tasks.
4. This update **MUST** be run on the Medtech32 Server and **CAN BE RUN** whilst users are logged into Medtech32.
5. Users must log out of Medtech and back in again after running this update to view the changes.
6. This update must also be run on any laptop that is used for Briefcasing.

Subsidy Adjustment for GST Increase Update Installation

1. Ensure that you are running **Version 10 or above** of Medtech32. This can be checked by logging into Medtech32 and selecting **Help ► About Medtech32** (see pre requisites above).
2. Visit our website at www.medtechglobal.com.
3. Select "New Zealand" in the region drop down (top right hand side of the window)
4. Select menu, **Medtech Online ► Medtech32 ► Downloads**. The New Zealand Medtech32 Updates page will be displayed.
5. Here you will find the **1st October Subsidy Adjustment for GST Increase Update**

6. In the **File Download Security Warning** dialogue box, select **Run**.
7. In the **Open File Security Warning Dialogue** box, select **Run** option.
8. The installation screen will appear.

9. The installation process will begin.
10. Once the update is completed, the following message will be displayed.

Subsidy Adjustment for GST Increase Update Details

All ACC, GMS, Immunisation and Maternity subsidies have been adjusted with the new GST increase as provided by the relevant Government organisations

Configuration Requirement - Important Note: A GMS Adjustment may be required to be completed based on the change in your service fees and the update to the subsidy amount.

GMS Adjustment Utility

To assist you with the calculation of the GMS adjustment, a utility is available on the Medtech website called **'GMS Utility Tool 2010.xls'**.

If you require additional assistance with the GMS adjustment please contact the Medtech Support Desk as per below.

For further information on these new features, or any other queries regarding the Subsidy Increase Update, please contact Medtech Support on 0800 2 MEDTECH (633 832) - Option 1 or send us a fax, toll free on 0800 MEDTECH (633 832) or email: nzsupport@medtechglobal.com.
