

## Release Notes

### Medtech32

### Version 19.12 Build 3352 Update (October 2011)

#### IMPORTANT NOTE

Medtech recommends that all Medtech upgrades and database back-up and restore processes are performed by a **Medtech Certified Technician** or your Practice Technician. For a list of Medtech Certified technicians please visit the Medtech Global Website: [www.medtechglobal.com](http://www.medtechglobal.com)

*These Release Notes contain important information for all Medtech Users. Please ensure that they are circulated amongst all your staff. We suggest that these notes are filed safely for future reference.*

## Issues Resolved in this Update

### 1. Access Violations

This update resolves Access Violations that have been appearing in Medtech32 when using the Inbox Tab in the Patient Manager.

### 2. Support Centre

This update resolves the issue with not being able to use the Support Request functionality in the Notification Centre.

### 3. Dabigatran Prescribing Assistant

This update ensures that the Prescribing Assistant for Dabigatran works in conjunction with the October 2011 MIMS Update.

For further information on these new features, or any other queries regarding Version 19.12 Update, please contact Medtech Support on 0800 2 MEDTECH (633 832) - Option 1 or send us a fax, toll free on 0800 MEDTECH (633 832) or email: [support@medtechglobal.com](mailto:support@medtechglobal.com).
