

medtech **SMS**

Send patients SMS reminders, recalls and free-hand messages

Fully integrated with all Medtech practice and patient management systems. The Medtech SMS service allows practices to send SMS messages such as appointment reminders or recalls, and receive text-back replies from patients.

Benefits

- Full integration - records information into your PMS Daily Record
- Ability to use Query Builder to send a common SMS message to a specific group of patients
- Full audit history
- Send individual or bulk SMS messages
- Create SMS campaigns
- Send free-hand messages or set up and utilize template SMS messages
- Simple and fast installation and set up
- Reduce administration time
- Reduce the number of appointment no-shows
- Automatic renewal of your SMS bundles

Simple Monthly Fee Packages:

- > 1 - 4 licences - \$52 (excl GST)
- > 5 - 9 licences - \$73 (excl GST)
- > 10 - 19 licences - \$146 (excl GST)
- > 20 - 29 licences - \$283 (excl GST)
- > 30 - 39 licences - \$377 (excl GST)
- > 40+ licences - P.O.A (excl GST)
